Mobys Coffee Purpose

Seeing Through HIS Vision!

Since we truly feel we are within God's grace and purpose tackling this endeavor.

Welcome To Mobys Coffee Company™

We are Brian & Kathy Brady, founders of Mobys Coffee Company™.

Since the birth of our first daughter, we have always felt drawn to discovering what God's purpose was for us. In response to his calling and our search, we have moved across the country, terminated employment with employers, and are now excited about the next leg of the journey-Mobys Coffee.

Mobys Coffee Company™ was created December 7th 2004. Although we feel we are worldly capable of this endeavor; 25 years combine restaurant customer service experience, Brian - 8 years employed with the worlds leading purveyor of specialty coffee, and previous business ownership...this is solely and ultimately fueled by Jesus' plan for us. We have placed all we have done, are doing, and will do into prayer that God's will is being done.

What do we feel Jesus is doing with Mobys Coffee? Two foundational purposes are being met with this company:

1. Both secular and spiritual people will have opportunities to witness Jesus' work through: employment, customer interaction, and the way in which Mobys Coffee Company™ represents itself as a Proud, Dignified, Christian Business.
2. Witness, through the church's guidance and leadership, day-to-day Christian business ethics and expectations - providing uplifting personal experiences with each cup served.

We do not believe we are in the coffee business; we are in the people business. In so many different cliché ways it has been said, but our sole focus is to represent what a Christian business and Christian owners can be when they are focused on delivering God's plan.

We pray every moment it enters into our minds and hearts, that we are conducting ourselves within the framework of Jesus' expectations and plans. We also pray that this business delivers and is a witness to how good our God is!

In Christ,
Brian & Kathy Brady
